Your Generosity Made Simple

A Donor Advised Fund (DAF) is an easy and flexible solution which can support individual charitable giving ambitions. Charitus can help.

Your DAF can be established and grown with a donation of cash, securities in-kind, or a gift at the time of your passing. Then you recommend grants to the ministries and causes you care about, whenever you're ready. In this way your DAF provides a powerful opportunity to create a legacy.

Charitus offers the expertise to support the creation and maintenance of your DAF.

It's simple. It's strategic. It's deeply personal.
